

World dog show

2010

Grosser Schweizer Sennenhund

Greater Swiss Mountain Dog

In connection with the Special Show on June 25th 2010 and the World Dog Show on June 27th 2010, the Danish Swissy people will like to invite all Swissy owners to a shared overnight stay with their dogs and the company of other Swissy owners from all over Europe.

The overnight stay will take place in 'primitive' but good conditions (campers tents ect.). There will be access to bathroom- and kitchen facilities. We will try to arrange some activities for the days without show. Because of the extend of this arrangement we ask you to give us an advance entry as soon as possible by using the entry form below, and send it to

WDS2010@grossergruppen.dk

There will be access to 'CowHouse' from Monday June 21st 2010 to Tuesday June 29th 2010. We will make an effort to make the stay as good and positive as possible.

Yours sincerely, the WDS2010 group in Denmark.

The 'CowHouse' address:
Cowhouse
Goedsboelskovvej 2, Uhe
7323 Give.
